

REINSW LAUNCHES 'FUTURE IS NOW' ROADSHOW

For Immediate Release

28th of November, 2019 // REINSW has today launched 'The Future is Now', a Roadshow with a difference - on the move from early next year.

With the Industry Reforms and Residential Tenancies Act amendment proposed to commence in March, 2020 is shaping up to be one of the biggest years for the industry in decades.

Understanding the new legislation will form a key aspect of the Roadshow program, as well as keeping-up to date with the always-advancing digital space.

Reaching 19 locations, over four months, the Roadshow will be an opportunity for agents to up-skill, advance their knowledge and ensure they are ready for the changes ahead.

Among those hitting the road will be REINSW President Leanne Pilkington and CEO Tim McKibbin.

They will be joined by expert trainers, representatives from Real Estate Employers' Federation (REEF), a spokesperson from the Australian Taxation Office (ATO) and a social media guru.

The Roadshow will kick off in February on the Far North Coast before making its way to the Riverina, through the Metro area, out West and ending down South.
