

REINSW 2023 Awards for Excellence finalists announced

FOR IMMEDIATE RELEASE

04 July 2023 //

The Real Estate Institute of New South Wales (REINSW) has announced the finalists for its annual Awards for Excellence.

Now in its 26th year, the prestigious Awards for Excellence is the most respected competition within the real estate profession, acknowledging exceptional performances across the industry.

The Awards for Excellence program offers much-deserved recognition for the unwavering commitment and tireless efforts exhibited by agents and their valuable contributions to their communities.

“While it is always important to recognise outstanding work, all the finalists should feel very proud,” says REINSW President Peter Matthews. “It is through acknowledging exceptional contributions that we nurture talent, encourage innovation, and push the boundaries of what is possible.”

The Awards for Excellence offers 23 categories covering both agencies and individuals.

“As the industry evolves, new scopes of practice emerge,” says Mr Matthews. “As the leading awards program for real estate in NSW, we aim to continually evaluate and improve our categories and processes year on year.”

“Being named a finalist in the Awards for Excellence is a great honour.”

“Finalists should share their success proudly as it is validation of a job well done and a testament to the exceptional quality of their work.”

The Awards for Excellence Gala Dinner is scheduled to take place Thursday, 7 September 2023 at The Star Entertainment Centre in Sydney. There will be information released about ticket purchases during the next few weeks.

Watch out for information about ticket purchases which will be released during the next few weeks.

About REINSW

The Real Estate Institute of New South Wales (REINSW) is the peak industry body for real estate agents and property professionals in NSW. It represents more than 2000 agencies across residential sales, property management, commercial, strata management, buyers' agency, agency services and auctioneering.

Established in 1910, REINSW works to improve the standards, professionalism and expertise of its members to continually evolve and innovate the industry. It lobbies the government and industry on behalf of members, develops new products and services to benefit agencies and professionals, and offers training and ongoing professional development.
